About the Theatre:

Established in 1932, the Garrick Theatre Club is situated in the heritage listed town of Guildford, Western Australia and is named after David Garrick, the famous English actor, dramatist, theatre manager and producer. The Garrick Theatre Club presents six seasons each year and regularly holds social nights, fostering a close-knit theatre community in the heart of Perth's eastern suburbs.

Garrick Theatre acknowledges the traditional owners of this land on which we meet, the Whadjuk people. We acknowledge and respect their continuing contribution to the culture and life of this region and recognise the strength, resilience and capacity of Noongar people of this land.

Synopsis:

Vicki and Neville have been married for 12 years. Vicki was convinced that Neville was unfaithful, less-than honest, a slob, a yob and otherwise undesirable. But after one incredible jolt to the foundation of their marriage, when Vicki found Nev in bed with another woman, she has finally left him.
This has come as a bit of a shock for poor old Nev who thought he had Vicki around his little finger..... like all the other women in his life.

Nev's one last desperate effort to win Vicki back, is tonight.

He has chosen a romantic candle-lit dinner for two as the perfect vehicle.

After all, he is still the charming old Nev! So how could she refuse??

Characters:

Neville
Neville is mid-to-late thirties and fancies himself as a bit of a stud. Most of his beautiful physique, like most of his sexual conquests, is in his mind.
It is obvious that Neville has had a modesty and a manners by-pass.

Vicki
Vicki is around the age of thirty. She looks and dresses smart, young and attractive.
She obviously has done a lot of giving and has put up with a lot of crap during her time with Nev, but now has an assured and determined purpose in life.

Bruno
Middle aged, European restaurateur. Bruno is happily married and has been so for twenty-five years.
If he can do it, why can’t everybody else??

Anita
The new young waitress at the restaurant.
